Dodge County OWI And Aggressive Driving Task Force

February 11, 2016

The Dodge County OWI and Aggressive Driving Task Force was deployed over the weekend of Feb 6th and 7th in the townships of Neosho, Rubicon and Ashippun, located in the southeast corner of Dodge County.

We would like to take this opportunity to share with you some of the examples of aggressive and impaired driving that we experienced over the weekend.

- A deputy stopped a driver for traveling 92 mph on CTH N. The investigation resulted in an arrest for OWI 1st offense and suspicion of drug impairment. The passengers were issued citations for open intoxicants and possession of THC.
- A lieutenant stopped a vehicle on STH 67 near Ashippun and the investigation resulted in an arrest for OWI 1st offense and suspicion of drug impairment. The passenger was cited for open intoxicants.
- A sergeant attempted to stop a vehicle for speeding on Pond Road but the driver failed to stop and attempted to elude the sergeant. The driver eventually stopped in the city of Hartford. The investigation resulted in an arrest for OWI 2nd offense and fleeing charges are being referred to the district attorney's office.
- A Neosho/Rubicon/Ashippun officer stopped a vehicle on Roosevelt Road and arrested the driver for OWI 1st offense.

"We hope this media release helps to bring awareness to the community and prevents others from making poor decisions. Our goal throughout the year is not to write more tickets but to bring awareness and convince drivers not to make the same mistakes," said Lieutenant Chad Enright.
